Jackie non è solo lampada da tavolo ma anche oggetto architetturale, nelle versioni faretto da parete e soffitto.

Jackie da parete è la soluzione ideale come lampada da lettura posizionata sopra a comodini, capace anche di creare illuminazione diffusa grazie alla tecnologia touch dim in cinque posizioni di differente intensità luminosa.

Jackie da soffitto è la versione a più alta resa luminosa grazie all'utilizzo di LED di ultima generazione e l'alimentazione in corrente costante (CC). La versione faretto da soffitto raggiunge 800lumen e non è dimmerabile.

Jackie is not only table lamp but also an architectural object, in the spotlight version for wall and ceiling.

Jackie wall-version is the ideal solution as a reading lamp positioned over bedside tables, able to make also diffused light thanks to the touch dim technology in five positions of different light intensity.

Jackie ceiling-version is the product with the highest light performance thanks to the use of cutting edge LED and the power feed in constant current (CC). The ceiling version reaches 800lumen and is not dimmable.
